Lone Star Division
Local Chapter
information*

Welcome new members to the Train Collector's Association

We are glad to have you in TCA.

There is the National level, which you have already joined. Those dues will be renewable on the anniversary of your joining. National will send you a notice.

There is the Division level. In our case that includes most of Texas, except El Paso, and all of Louisiana. The dues for this level are \$6.00 if you want to join this level. Dues are by the calendar year. It is NOT required that you join the Division or one of the local level chapters.

There are four chapters in the Lone Star Division. We hope to start a chapter in Austin.

Central Texas Chapter in San Antonio

with 11 monthly meetings and \$20.00 per year dues & 11 local newsletters

Gulf Coast Chapter in Houston

with meetings every other month. There are no dues or newsletter

North Texas in Dallas/Plano area with dues at this time and meetings about every other month.

Louisiana Chapter - Monthly meetings with \$10.00 per year dues. Newsletter by e-mail and maybe snail mail.

The Lone Star Division has four train meets/shows a year plus some chapter train shows/meets

August 22, 2009	Plano Holiday Inn (Dallas), Texas
Sept. 19, 2009	Gulf Coast Chapter train meet in Spring, TX
Nov. 7, 2009	Ponchatoula (New Orleans), Louisiana
Jan. 9, 2010	Katy, Texas
May 15, 2010	Garden Ridge (San Antonio), Texas

Confused? I understand! Please call or write if I can be of help. Please consider going to one of the National Annual Conventions, always the last week of June, or to York, PA in April and October for the biggest meet you will ever attend.

Please send me a message by e-mail so I will have your e-mail address to send TCA related information to you.
