Secretary/Treasurer Report of December 2009:

The checking account shows a balance of \$3987.18 as of Dec. 11, 2009. This includes \$95.68 remaining from the donations for Chapter fund raising events at the recent Nov. 7 Division show and should be used for the same purpose for the upcoming March show.

I have forwarded three TCA applications to National and expect to receive local membership applications once these members can provide a TCA number to me. The current roster consists of 48 members. Four of these members paid La. Chapter dues twice during the last 12 months and have been notified directly that the overpayment has been deposited and applied toward their 2010 dues payment. Any member that is uncertain as to their dues status is asked to contact the Chapter Treasurer. Your 2010 local dues of \$10 are due now and can be paid at a meeting or by mail. The form for doing this is on our web site and also available by request if you do not have computer access.

All but two TCA t-shirts bought by the chapter have been sold. I am holding a large and an xx-large TCA shirt from our recent show order which is available for immediate sale. The large shirt sells for \$15, and the xx-large sells for \$20.

All money matters pertaining to the recent Division show have been settled. Figures will be announced in the Division and Meet Chairman reports. The annual report to the National Treasurer has been completed and forwarded to him. I have paid the Ponchatoula Lions Club a \$250 deposit for use of their hall in March.
